

## ***Patented, Safe & Effective Nitric Oxide Restoration***

Research developed out of the University of Texas Health Science Center at Houston in Dr. Nathan Bryan's research program has resulted in a patented and clinically proven nitric oxide product technology. Dr. Bryan was recruited to join faculty at the University of Texas Health Science Center at Houston by Ferid Murad, M.D., Ph.D., 1998 Nobel Laureate in Medicine or Physiology. Dr. Bryan has been involved in nitric oxide research for the past 18 years and has made many seminal discoveries in the field. These discoveries and findings have transformed the development of safe and effective functional bioactive natural products in the treatment and prevention of human disease and provide the basis for new preventive or therapeutic strategies in many chronic diseases. His many seminal discoveries have resulted in over a dozen issued US and International patents. Dr. Bryan has published a number of highly cited papers and authored or edited 5 books. He is an international leader in molecular medicine and nitric oxide biochemistry.

This product technology is now available only to licensed health care practitioners from Scientific Health Solutions (SHS) in a product called N-O Pro.

Published clinical studies reveal:

- N-O Pro lowers blood pressure in patients with pre-hypertension ([Biswas et al 2015 Jan;20\(1\):52-8. doi: 10.1177/1074248414539563. Epub 2014 Jun 18](#))
- N-O Pro lowers blood pressure in hypertensive patients, restores endothelial function and improves arterial elasticity ([J Clin Hypertens \(Greenwich\). 2014 Jul;16\(7\):524-9. doi: 10.1111/jch.12352. Epub 2014 Jun 24](#))
- N-O Pro reverses carotid plaque within 6 months ([Lee E Altern Ther Health Med. 2016 Jun;22 Suppl 2:32-4](#))
- N-O Pro lowers triglycerides and reduces cardiovascular risk factors ([Zand et al Nutr Res. 2011 Apr;31\(4\):262-9](#))
- N-O Pro lowers blood pressure, reverses heart disease and improves renal function in pediatric patient with urea cycle disorder ([Nagamani et al Am J Hum Genet. 2012 May 4;90\(5\):836-46. doi: 10.1016/j.ajhg.2012.03.018. Epub 2012 Apr 26](#))
- N-O Pro generates authentic NO gas in the oral cavity as it is dissolving (25-30 ppm) ([Zand et al Nutr Res. 2011 Apr;31\(4\):262-9. doi: 10.1016/j.nutres.2011.03.008](#))
- N-O Pro promotes the mobilization of stem and progenitor cells ([Aicher et al Nat Med. 2004 Sep;10\(9\):999](#))
- N-O Pro is the only product technology that generates NO gas while improving endogenous NO production.
- Patented with multiple randomized placebo controlled published clinical trials
- Intellectual property licensed from University of Texas
- 60 day money back guarantee
